**Sam Pack's Five Star Ford
P.O. BOX 152637
IRVING, TX 75015**

Dear Valued Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Utilimaster Corporation has decided that a defect which relates to motor vehicle safety exists in certain 2012 model year walk-in vans.

Please note: The Vehicle Identification Number that may be affected by this recall is located at the top of this letter.

What is the defect?

An undercarriage ramp installed by Utilimaster may chafe against the hydraulic brake line causing a hole in the line.

A hole in the hydraulic brake line may result in loss of brake fluid which could increase stopping distance of the vehicle. Increased stopping distance could increase the risk of a crash.

Corrective Action:

The brake line will be replaced with one that provides clearance between the brake line and ramp.

Labor Time:

Installation of the brake line may take up to 2 hours. Due to some service scheduling times, your service center may need your vehicle for a longer period.

What You Should Do:

Call Utilimaster at 1-800-237-7806; select the Warranty prompts, to locate a service center near you. Steps will be taken to ensure the inspection is performed at the nearest service center.

Leased Vehicles:

The lessor must notify the lessee by first class mail within ten (10) days from receipt of their owner notification letter from the manufacturer; both for the initial notification and all subsequent notifications.

Reimbursement:

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact Utilimaster at 1-800-237-7806.

Reply Card:

Please fill out the enclosed prepaid postcard and mail it to us if you have changed your address, sold, or traded the vehicle.

If the authorized service center has failed or is unable to remedy the defect without charge and within a reasonable time, contact Utilimaster at 1.800.237-7806. You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590 or call the Auto Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov> if you feel the manufacturer has failed or is unable to remedy the defect without charge

We regret any inconvenience this service may cause you. Your safety and continued satisfaction with the quality and performance of your chassis is of the utmost concern to us.

Sincerely

Bill Keel
