December 2015

**IMPORTANT SAFETY RECALL**  
**This Notice Applies To Your Recreational Vehicle «SERIAL»**  
**NHTSA Recall Campaign 15V692**

Dear Valued Starcraft Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Starcraft has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Autumn Ridge 339BHTS Travel Trailers manufactured March 27, 2015 through September 22, 2015. The affected units have inadequate protection for the LP lines and electric wiring under the unit.

The unprotected LP lines may be damaged by road debris without owner being aware and may create the possibility of personal injury from an undetected gas leak. Additional protection will be added to your travel trailer at no charge to you and take approximately ½ hour.

Please contact your Starcraft dealer to arrange for repairs to be performed. If your Starcraft dealer is unable to perform the recall within a reasonable time frame, please contact Starcraft Customer Service at 800-945-4787 for further instructions. If you choose to take your vehicle to a non-Starcraft dealer, they must contact Starcraft prior to making the recall repairs for proper authorization and instruction. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-945-4787. If after contacting your dealer and Customer Service you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We certainly regret this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with your Starcraft travel trailer.

Sincerely,  
Starcraft
