

***** IMPORTANT SAFETY RECALL *****
NHTSA Recall No. 15E-085

November 23, 2015

PROGRESSIVE WASTE
1747 HIGHWAY 6
NATCHITOCHE LA 71457-7253

Dear Cummins Westport Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Cummins Inc. and Cummins Westport Inc. have decided that a defect which relates to motor vehicle safety exists in certain Cummins Westport ISL G engines built from September 13, 2007 through September 23, 2015. Your engine is being recalled to address this condition.

This notice applies to your Cummins Westport engine as identified below:

Engine Serial Number	Vehicle Manufacturer	Vehicle Serial Number
73591436	MACK TRUCKS INC	1M2AU14C1EM002127
73592642	MACK TRUCKS INC	1M2AU14C3EM002128
73592650	MACK TRUCKS INC	1M2AU14C5EM002129

WHY IS A RECALL BEING CONDUCTED?

The turbocharger oil supply line may make contact or interfere with other engine or vehicle components. If this occurs, the resulting contact or interference may damage the turbocharger oil supply line, possibly resulting in an oil leak near the exhaust manifold. This condition may result in a fire.

WHAT ARE WE DOING ABOUT THE PROBLEM?

Cummins has released field Campaign C1673 "ISL G Low Mount Turbo Oil Supply Line Safety Campaign" to correct this condition. Engines will be inspected for interference with and/or damage to the turbocharger oil supply line. If necessary, changes will be made to eliminate the interference and, if necessary, the turbocharger oil supply line will be replaced. This campaign is currently available at Cummins Distributors and Cummins-authorized Warranty Dealers. The repair will be completed free of charge and most applications will require approximately 45 minutes to complete.

WHAT SHOULD YOU DO?

Contact the nearest Cummins Distributor or Cummins-authorized Warranty Dealer to arrange to have this campaign performed on your engine. The distributor or dealer will work with you to schedule the best date to complete this repair.

Federal law requires vehicle lessors receiving this recall notice to forward a copy of this notice to the lessee within ten (10) days. Also, it is a violation of Federal law for a dealer to deliver a new vehicle covered by this recall notice under a sale or lease until the defect has been remedied.

If you previously paid to have this recall performed on your vehicle, you may be eligible for reimbursement. Please contact the Cummins Customer Assistance Center at the number below for more information.

WHO SHOULD YOU CONTACT IF YOU HAVE FURTHER QUESTIONS OR CONCERNS?

If you have questions or concerns about this recall, please contact your local Cummins Distributor. You may also contact the Cummins Customer Assistance Center at 1-800-DIESELS (1-800-343-7357).

If you have a complaint relative to this recall, you may report it to the following:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey Avenue, SE
Washington, DC 20590

You may also call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Cummins is taking this action in the interest of your personal safety and satisfaction with our products. We apologize for any inconvenience and thank you for your attention to this matter.

Sincerely,

Campaign Administrator
Cummins Inc.
