Dear Classic American Trolley Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Supreme Corporation has decided that certain model year 2014 and 2015 Classic American Trolley vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 205, *Glazing materials*. Our records indicate that your vehicle(s) identified above may be affected. Supreme is conducting a safety recall to address this condition.

What is the Issue?

Due to a supplier error, these vehicles may be equipped with windshields that meet the AS2 or AS3 specification, rather than the AS1 specification as required by FMVSS No. 205, *Glazing materials*. The lower light transmittance of AS2 and AS3 windshield glass could affect driver visibility under certain conditions, increasing the risk of a crash.

What Will Supreme Do?

Supreme will replace the AS2/AS3 windshield material with AS1 material at no charge to you (parts and labor). The repair should take less than 2 hours to perform.

What Should You Do?

Please contact Tammy Raber, Supreme Warranty Department, at (574) 642-4888 x237 or tammy.raber@supremecorp.com, who will work with you to arrange this service. Please mention Recall No. 15V785 and provide the VIN of the vehicle as shown above.

If you no longer own the vehicle(s) listed above, please call Tammy Raber (Supreme Warranty Department) at (574) 642-4888 x237 or tammy.raber@supremecorp.com and provide any information you can furnish that will assist us in locating the current owner.

Note: Federal law prohibits the delivery of affected vehicles under a sale or lease until this issue has been corrected. Federal law also requires that any vehicle lessor receiving this recall notice forward a copy of the notice to the lessee within 10 days.
