IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN: XXXXXXXXXXXXXXXXXXXXX

Dear Hyundai Genesis Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2015 Hyundai Genesis sedans manufactured from 03/03/2014 through 02/09/2015 and equipped with Hankook brand "Ventus S1 noble2" tires installed as original equipment. Our records indicate that your vehicle falls within this production date range.

What is the problem?

- The tires subject to this recall may develop cracks in the sidewall, which could result in air loss. Cracks in the sidewall of a tire could result in air loss and a loss of vehicle control, increasing the risk of a vehicle crash.

What will Hyundai do?

- Your Hyundai dealer will replace the Hankook tires at no charge to you. The actual time required to replace the tires is approximately 1 hour, however your vehicle may be needed longer depending on the dealer's schedule; therefore, we recommend scheduling a service appointment to minimize inconvenience.

What should you do?

- Customers should always check for illumination of the Tire Pressure Monitoring System warning lamp in the instrument cluster and ensure their tires are inflated to the proper air pressure.
