SAFETY RECALL P054 BRAKE HOSE ALLOCATION

PARTS ALERT

20-JUL-15

NO.: PA15GI-07

**SECTION: GENERAL
INFORMATION**

MARKET: CAN / USA

Please be advised that Land Rover will be sending an initial allocation of Brake Hoses (P/N LR075628) for Campaign P054 to all retailers to coincide with the first customer mailing of this campaign. Each retailer will receive an initial allocation of roughly 10% of the vehicles expected to contact you to perform this recall based on 3rd party market research. Having an initial quantity on hand should help satisfy the first wave of customer vehicles.

Further Brake Hoses may be ordered following the Restricted Order guidelines by using the VIN and maximum quantity of 2 Brake Hoses per line. These parts will continue to be on Restricted Order to maintain adequate parts quantity for all retailers.
