Memorandum

Subject: Recall 15V-241

From: Cynthia Glass *CG*
General Engineer, RMD

To: Memo to File

Date: June 12, 2015

On June 10, 2015, Richard Knott, Director of Quality for Bergstrom, Inc. verified that the linear power module involved in the above-referenced recall campaign was specifically designed for and sold to Navistar, Inc. The linear power module was not sold to any other vehicle manufacturer.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
