IMPORTANT SECURITY INFORMATION

Update your Uconnect®
Radio System software today.

At FCA, we're serious about your security – and your satisfaction.
Now you can enhance both with our new software update.

Similar to a smartphone or tablet, your vehicle requires a software update for improved security protection to reduce the potential risk of unauthorized and unlawful access to vehicle systems. This is a one-time software update. It includes Uconnect improvements and should only be used on the vehicle identified in your letter. Dispose of this USB when your update is complete.

Update your software today for greater security.

For additional assistance, please contact Uconnect Care at 1-877-855-8400.

Thank you from FCA.
