Re: i3 Front Passenger Side Airbag Recall

Dear Parts, Service and Sales Managers,

BMW AG is conducting a Voluntary Non-Compliance Recall including Delivery Stop, involving certain i3 (I01) passenger side front airbag. This recall involves vehicles produced between March 21, 2014 and August 18, 2015.

Due to limited parts supply, we request that parts be allocated for customer vehicles before repairing vehicles in your inventory.

We will allow dealers to order a quantity of 0 to 3 per day starting Monday November 30th until Friday, December 4th. Orders over 3 per day will be cancelled.

Your orders will backorder in the system to be reviewed and then will be manually released.

Part numbers listed in bulletin will be blocked over the weekends. We will provide an update on our availability and ordering status on Friday December 4th.

These parts are non-returnable.

Thank you,

Parts Logistics
