Re: F55/F56 Front Passenger Side Airbag Recall (Final Update)

Dear Parts, Service and Sales Managers,

BMW AG continues conducting a Voluntary Non-Compliance Recall including Delivery Stop, involving certain F55/F56 (Cooper and Cooper S) passenger side front airbag. This recall involves vehicles produced between March 11, 2014 and September 11, 2015.

After our next shipment from Germany, we will have 100% of the needed parts.

On Monday December 21st, we will open the parts for normal ordering. We have a steady supply on the way and will not go into a backorder situation if you continue to order only for scheduled appointments.

Please remember these parts are non-returnable. Large orders will still be monitored and adjusted.

Thank you,

Parts Logistics
