Re: F55/F56 Front Passenger Side Airbag Recall (Update 2)

Dear Parts, Service and Sales Managers,

BMW AG continues conducting a Voluntary Non-Compliance Recall including Delivery Stop, involving certain F55/F56 (Cooper and Cooper S) passenger side front airbag. This recall involves vehicles produced between March 11, 2014 and September 11, 2015.

We've already shipped over 40% of the needed parts, so please only order what is needed as **these parts are nonreturnable**.

Due to limited parts supply, we request that parts be allocated for customer vehicles before repairing vehicles in your inventory.

We are allowing dealers to order a quantity of 0 to 5 per day. Orders over 5 per day will be cancelled.

Your orders will be backordered in the system to be reviewed and then will be manually released. We currently have no backorders on this airbag.

We will provide an update on our availability and ordering status on Friday December 18<sup>th</sup>.

Thank you,

Parts Logistics
