Re: Recall MINI Electro-Hydraulic Power Assist Steering (EHPAS) System M32 02 15

Dear Parts and Service Managers,

A recall campaign has been released which involves R50, R52 and R53 models produced from September 12th 2001 to February 9th 2005.

Please read SIB M32 02 15 in its entirety as most of the parts listed in the SIB are only needed **“if required”**.

Please check your stock and **only order as needed for scheduled appointments, not for stock.** Orders over 3 pcs per day will be cancelled.

Please remove from automatic replenishment and SRD ordering.

Your orders will backorder and be manually released in the order received regardless of order type (Stock order, VOR order, Late Day VOR).

These parts are non-returnable, please only order for scheduled repairs.

Once supply is sufficient and consistent from the supplier, we will open the part numbers for normal ordering.

Thank you,
Parts Logistics
