Re: Recall MINI Electro-Hydraulic Power Assist Steering (EHPAS) System M32 02 15 (Update1)

Dear Parts and Service Managers,

**Your orders will backorder and be manually released in the order received regardless of order type (Stock order, VOR order, Late Day VOR).**

**During the daily manual allocation process, the part will be blocked from normal ordering at the following estimated times depending on volumes:**

**10:00 am to 12:00 pm EST and 4:00 pm to 5:00 pm EST**

Please read SIB M32 02 15 in its entirety as most of the parts listed in the SIB are not required. Only one part number is required for the inspection process.

**You can order up to 5 (pumps and fans) per day if needed. Orders over 5 (pumps and fans) will be cancelled.**

The other parts may not be required and **should not be ordered in a high volume or daily. Excessive orders for these part numbers will be cancelled.**

Please check your stock prior to ordering and **only order for scheduled appointments.**

**As a reminder, please remove these part number from automatic replenishment and SRD ordering.**

**These parts are non-returnable, please only order for scheduled repairs.**

Thank you,  
Parts Logistics
