Re: Recall MINI Electro-Hydraulic Power Assist Steering (EHPAS) System M32 02 15 (Update)

Dear Parts and Service Managers,

Please read SIB M32 02 15 in its entirety as most of the parts listed in the SIB are only needed **“if required”**.

Starting tomorrow 3/16/16, you can now order up to 5 (pumps and fans) per day if needed; the other parts may not be required and **should not be ordered in a high volume or daily**. Orders over 5 (pumps and fans) will be cancelled as well as excessive ordering of the other limited part numbers.

Please check your stock prior to ordering and **only order for scheduled appointments.**

Please do not add these parts numbers to your automatic replenishment or SRD ordering.

These parts are non-returnable, please only order for scheduled repairs.

Thank you,
Parts Logistics
