

SAFETY RECALL NOTICE

To: All Center Operators, Sales Managers, Service Manager, Parts Manager and Warranty Processor

RE: Recall Campaign 15V-xxx: Front Passenger Seat Cushion with Capacitive Interior Sensing (CIS) Mat – Prior Parts Replacement M65 12 15

BMW AG is conducting a Voluntary Safety Recall (effective November 5, 2015) involving the Front Passenger Seat Cushion including CIS Mat Sensor – prior parts replacement in certain:

- Model Year 2014-2015 MINI Cooper and Cooper S Hardtop 2 Door (F56)
- Model Year 2014-2015 MINI Cooper and Cooper S Hardtop 4 Door (F55)

These vehicles may have received an incorrectly programmed seat mat sensor during front passenger seat cushion replacement by a MINI Dealer (prior repair).

Owners will be notified by First Class mail about the Recall and will be instructed to bring their vehicles in for a free repair when repair is available.

Please be reminded that it is a violation of Federal law for you to sell, lease or deliver any vehicle covered by this notification until the recall repair has been performed. This means that centers may not legally deliver new motor vehicles to a consumer until it is fixed or use/sell replacement equipment/parts subject to a Recall. Note also that substantial civil penalties apply to violations of this law.

Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a safety recall until the repair is completed.

Please follow any special instructions that we provide to you for the return or disposition of recall parts.

We appreciate all your assistance with this Recall.
