

SAFETY RECALL NOTICE

To: All Center Operators, Sales Managers, Service Manager, Parts Manager and Warranty Processor

RE: Recall Campaign 15V-xxx: Checking Driveshaft Universal Joint B26 01 15

BMW Group is conducting a Voluntary Safety Recall **including Delivery Stop** (effective November 13, 2015) involving the driveshaft universal joint inspection and possible replacement in certain M3 Sedan (F80), M4 Coupe (F82) and M4 Convertible (F83).

Owners will be notified by First Class mail about the Recall and will be instructed to bring their vehicles in for a free repair when repair is available.

Please be reminded that it is a violation of Federal law for you to sell, lease or deliver any vehicle covered by this notification until the recall repair has been performed. This means that centers may not legally deliver new motor vehicles to a consumer until it is fixed or use/sell replacement equipment/parts subject to a Recall. Note also that substantial civil penalties apply to violations of this law.

Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a safety recall until the repair is completed.

Please follow any special instructions that we provide to you for the return or disposition of recall parts.

We appreciate all your assistance with this Recall.
