To confirm the type of Entrance step on the Motor Home is the COACHSTEP affected by LCI's Recall:

- Fig 1:** Open the complete step assembly and look at the bottom step, right corner for the label identifying the step as a **COACHSTEP**.
Fig 2: If the label is missing, look at the motor parts under the step.
 The **COACHSTEP** will have the motor, gear plate assembly and step module located as shown in this diagram.
- Complete the enclosed Reply Form and return to Jayco Engineering / Regulatory Compliance
