RE: 2003-04 Odyssey  
NHTSA Recall 15V-045

**IMPORTANT**

- **Your vehicle is included in a safety recall and should have the recall service done as soon as possible.**
- **Any authorized Honda dealer will perform the recall service at no charge to you.**

VIN: <VIN>

Dear <FirstName> <LastName>:

**What is the reason for this notice?**

Our records indicate that a SAFETY RECALL has not been completed on this vehicle; refer to the address card for the affected VIN. In certain 2003-2004 model year Odyssey vehicles, there is a potential failure with the SRS electronic control unit, which may cause an airbag to deploy without a crash. An airbag that inadvertently deploys while the vehicle is in motion may distract the driver, increasing the risk of a crash.

**What will Honda do?**

Call any authorized Honda dealer and make an appointment to have your vehicle's SRS electronic control unit replaced **at no cost to you**.

**If you have questions**

If you have any questions about this notice, or you need assistance locating a dealer, contact Honda Automobile Customer Service at 1-888-234-2138. You may also find this information at [www.Hondacars.com](http://www.Hondacars.com).

We apologize for any inconvenience this safety recall may cause you.

Sincerely,

**American Honda Motor Co., Inc.**
