This Second notice applies to your vehicle: VIN

Dear NAME:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Cruiser RV, LLC (Cruiser) has decided that a defect which relates to motor vehicle safety exists in certain 2016 Cruiser travel trailers manufactured with the optional slide-out in the garage area of the RV. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

On certain 2016 Cruiser travel trailers manufactured with the optional slide-out in the garage area of the RV. The optional slide floor in these units is designed to flip up to allow more storage when the slide is in the travel position. If the consumer were to flip the slide floor up, when the trailer is stationary, they could be exposed to exhaust fumes from the generator as well as fumes from the exterior fueling station. This could lead to an increased risk of injury and/or damage to property.

***What we
will do***

Cruiser will have an authorized dealer or repair center securing the flip up portion of the slide floor that it will be completely sealed to the outside elements and will no longer have the ability to open." This defect will be corrected at no expense to you, the owner.

***What we need
you to do***

At your earliest convenience, Please contact your local dealer to set up an appointment to have this inspected and if needed corrected immediately, this service will be performed free of charge.
You will need the following information for the phone call:

- VIN of your travel trailer
- Name, Address, and Phone Number
