***** URGENT AIRBAG SAFETY RECALL ***
DO NOT DRIVE YOUR VEHICLE!**

Your 2006 Mustang is part of an **urgent** airbag safety recall. Defective airbags may explode in the event of a crash. When this happens, metal fragments can hit the driver or passengers, resulting in **serious injury or death**. The inflator is getting more dangerous as it gets older. Due to this increase in risk, Ford has issued a **DO NOT DRIVE** advisory on your vehicle.

Ford cares about the safety of you and your passengers, and we are concerned that you have not yet taken action. Please call your local Ford dealer today to have them order parts and schedule an appointment for this **FREE** airbag recall repair. If you have questions or concerns, please contact our Ford Customer Relationship Center at 1-888-985-0385. **Do not drive your vehicle until this repair has been completed.**

Special service options may also be available for free:

- o Mobile repair at the vehicle's location
- o Vehicle pick-up and delivery
- o A free loaner vehicle
