

We are coming to talk to you about
your vehicle's **DEFECTIVE AIRBAGS**

**AIRBAG
RECALL**

**Call today to schedule your FREE
recall repair: 253-282-3907**

Ford issued a **DO NOT DRIVE** advisory for your vehicle. The airbag in your vehicle is defective and poses a serious risk. As your vehicle ages, the likelihood of the airbag exploding during a crash increases. If this occurs, sharp metal fragments can strike the driver and passengers, causing severe injury or even death.

To assist with repairs, **Ford representatives from MarketSource, Inc** **will be visiting homes in your neighborhood** beginning the week of November 2, 2026 to repair vehicles on the spot at no cost to you. They will be wearing badges and Airbag Recall shirts. If you are not home at the time of their visit, they will leave a doorhanger with direct contact information.

You can call 253-282-3907 to schedule an appointment for an airbag mobile repair at your location with MarketSource, Inc.

If you no longer own this vehicle, please visit fordairbagsurvey.com to update your information.

If you have any questions, call Ford and Lincoln's Airbag Recall Team at 833-221-3560.
