RE: 2003 Odyssey

Dear Honda Odyssey Owner:

What is the reason for this notice?

Our records indicate that a NON-COMPLIANCE RECALL has not been completed on this vehicle; refer to the address card for the affected VIN. The passenger airbag module installed in your vehicle may contain parts for 2002 model year vehicles. The incorrect parts do not comply with airbag requirements that came into effect for the 2003 model year and may increase the risk of injury in the event of a crash.

What should you do?

Please contact any authorized Honda dealer for an appointment to have your vehicle's passenger airbag module inspected and, if necessary, replaced. This work will be done *free of charge*.

If your vehicle is currently under recall for the Takata passenger inflator, this repair will satisfy that recall as well.

If you have questions

If you have any questions about this notice, or you need assistance locating a dealer, contact Honda Automobile Customer Service at 1-888-234-2138. You may also find this information at www.Hondacars.com.

We apologize for any inconvenience this non-compliance recall may cause you.

Sincerely,

American Honda Motor Co., Inc.
Honda Automobile Division

NOTICE: If this is a leased vehicle, please forward this notice to the lessee.
