

**Call Center Scripting for Toyota Power Window VM**

- This is the Toyota Safety Recall Team contacting you about an urgent Safety Recall. In some Toyota vehicles, a power window switch could develop a short circuit, overheat and potentially lead to a fire. Because we care about your safety, please call us or your local Toyota dealer immediately.

To schedule your **FREE** recall repair:

- Contact your local Toyota dealer;
- Contact us toll free at PHONENUMBER between 7 a.m. and 6 p.m. Central Standard Time; or
- Visit [www.MyToyotaAuto.com](http://www.MyToyotaAuto.com) to locate a dealer to schedule a **FREE** repair. If you no longer own the vehicle you can opt out of future notification messages. Please have your License Plate Number available.

Your Toyota dealer will repair your vehicle for **FREE**.

We at Toyota thank you for your prompt attention to this urgent Safety Recall Notice.
