According to our records, your 2013 Taurus has not had necessary safety recall repairs made. We urge you to have the free repair performed at your local dealership as soon as possible.

KEY INFORMATION

- Your vehicle is involved in an important safety recall
- Your safety is important to us. Schedule an appointment to have service procedure completed
- This procedure will be performed free of charge

Recall Number and Description: **13S04 - Fuel Delivery Module Replacement**

What is the Issue? On your vehicle it may be possible that over time the fuel delivery module in the fuel tank may develop a crack that could result in a fuel leak. If a leak occurs, you may experience symptoms of a fuel odor or liquid fuel leak. Fuel leakage in the presence of an ignition source may result in a fire.

What Are We Asking You To Do? Please contact your dealer to schedule an appointment to have this important service procedure completed. If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps and driving instructions.

The vehicle owner is responsible for having this service action performed. Ford Motor Company reserves the right to deny coverage for any vehicle damage that may result from failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.
