IMPORTANT SAFETY RECALL

Subject: Safety Recall 15KWE - Delco-Remy Alternator Cable Clearance
NHTSA Recall number 15V-270
The VINs are listed on the back of this page

Dear Kenworth Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Kenworth Truck Company has decided that a defect which relates to motor vehicle safety exists in certain 2014-2016 Kenworth T660, T680, T880 trucks manufactured February 18, 2013, to April 8, 2015. The affected trucks, equipped with PACCAR MX-13 engines and Delco-Remy 40SI alternators, have alternator charge cables that may chafe against a formed metal refrigerant discharge line.

If the alternator cable rubs through its insulation, an electrical short may occur, increasing the risk of a fire.

The problem is...	Alternator power cable rubs metal A/C Line
What your dealer will do...	Dealers will rotate cable and install a retainer
What you must do ...	Contact your Kenworth Dealer to schedule an appointment for repair

Kenworth has initiated a recall to remedy the defect. **Replacement parts are not yet available from the component supplier.** However, Kenworth is required to notify customers of the existence of the identified defect. Another letter will be mailed when the repair parts become available. If you had this defect repaired before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you require further information about this recall, reimbursement of a pre-notification remedy associated with this recall or experience any difficulty in making arrangements for this repair, please contact: Kenworth Truck Company, P.O. Box 1000, Kirkland, WA 98083-1000, Attn: Quality Services Department, phone 425-828-5000.

You may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>, if you believe that the manufacturer or dealer failed or was unable to remedy the defect without charge within a reasonable time following the earliest date upon which replacement parts become available.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us of the new owner if you know their name.

We regret any inconvenience that this work may cause you and appreciate your cooperation in this matter.

Sincerely,

Mike Kalkoske
Quality Services Manager
