

IMPORTANT SAFETY RECALL

July 2015

Dear Saab Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Subaru of America has determined that a defect which relates to motor vehicle safety exists in certain 2005 model year Saab 9-2X vehicles. These vehicles were manufactured by Subaru of America for the Saab brand and marketed by GM. As a result, GM is conducting a safety recall.

You received this notice because our records indicate that you currently own one of these vehicles.

IMPORTANT

- This notice applies to your 2005 model year Saab 9-2X, VIN: _____.
- Your vehicle is involved in safety recall 15040/NHTSA Recall No.15V-323
- GM is in the process of acquiring parts necessary to perform the repair. Once there is a sufficient supply of parts to perform the repair, you will be contacted again by mail advising you to proceed with scheduling an appointment with your Saab Official Service Center (OSC).
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

Your vehicle is equipped with a passenger side frontal air bag that may be susceptible to moisture intrusion which, over time, could cause the inflator to rupture upon its deployment.

In the event of a crash necessitating deployment of the passenger's frontal air bag, the inflator could rupture with metal fragments striking the vehicle occupants potentially resulting in serious injury or death.

What will be done?

PARTS ARE NOT CURRENTLY AVAILABLE. When parts are available, your Saab Official Service Center will replace the inflator for your front passenger air bag. This service will be performed for you at **no charge**.

The time to replace the front passenger air bag inflator is approximately 40 minutes. It may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment to allow your Saab Official Service Center flexibility in scheduling.

What should you do?

Until this repair is performed, the front passenger seat should NOT be occupied.

When parts are available, you will receive another letter asking you to take your vehicle to your Saab Official Service Center to have your vehicle serviced
