This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that a defect, which relates to motor vehicle safety, exists in certain 2015 model year Audi A3 Cabriolet vehicles. Our records show that you are the owner of a vehicle affected by this action. At this time, the recall repair is not yet available.

Recall Description: Certain vehicles may have been manufactured with an incorrect or out of specification stitching in the driver and/or front passenger seat cover. In the event of a crash, this could prevent the side impact airbag from deploying correctly which could increase the risk of injury.

Precautions You Should Take: If your vehicle is operating normally, there is nothing you need to do at this time. However, if you have any concerns regarding the airbag system in your vehicle, make an appointment with your authorized Audi dealer or qualified workshop to have the vehicle inspected without delay.
