15V214 (P062) Q4 2015 – Corrected Information**

Pursuant to the requirements set forth in 49 CFR Part 573, Defect and Noncompliance Reports, Jaguar Land Rover North America, LLC is submitting a quarterly report for Recall 15V-214 (Jaguar Land Rover Recall P062) with corrected information for the period ending December 31, 2015. In response to Kelly Schuler's e-mail dated February 11, 2016, this letter is to recognize the decrease in the completion rate and to confirm that there was an error in the previous count for Part 573 reporting that is unique to this campaign's reporting. This error has been corrected in the current Q4 2015 Report, which indicates 2,289 vehicles completed.

Sincerely,

James C. Patterson
