## Dear First Lastname

Our records indicate there is an open safety recall, related to a Takata airbag, on your vehicle. Due to a serious defect, there's an increased risk of injury to the driver and/or passenger(s) if an airbag deploys. Our staff is dedicated to getting you and your vehicle safely back on the road, as quickly as possible. The (FCA dealer name) will replace your affected driver and/or passenger airbag inflator(s). The work takes approximately two hours to complete. [Register for one of two service clinics now!](#)
