Re: 15V-318 E46, E39, E53 Drivers Front Air bag

Dear Parts and Service Managers,

With our Jacksonville RDC forced to close, we were not able to enter the orders request you emailed us on Wednesday. We added up the emails and IDS tickets that were not entered and added that quantity to your Fair Share Allocation for next week. As a reminder, please refer to the DCS sent out on Thursday, all orders request received on Thursday and Friday will not be entered.

Please schedule your Customer based on the supply at your dealership.

Thank you,  
Parts Logistics
