Re: Parts Matrix

Dear Parts and Service Managers,

Attached is the weekly Parts Matrix which includes the Highest Priority parts situation along with the ordering process. As a reminder, the Parts Matrix is updated weekly. It is important to monitor our daily DCS messages as things may change during the week.

As a reminder, regarding Thermostat Part Number 11 53 8 635 689, this part number remains on a daily maximum ordering quantity of 10 per day. We recommend ordering up to 10 per day only if you need them. Any orders placed over 10 pcs per day will be cancelled.

Changes to this week's Parts Matrix are as follows:

1. Added Rear Side Window SIB51 48 16
2. Added Air Bag Module 16V-XXX SIB72 01 16
3. Added Air Bag Module 16V-XXX SIB72 02 16

Air Bag Ordering: Please review the Vehicle Comments under each VIN before submitting an IDS ticket.

- As a reminder some air bags are being shipped to you for your used car inventory. Please check the VIN's listed in the PO with your Pre-Owned Sales Team. Please ensure that the Pre-Owned Inventory System (POIS) accurately reflects your current inventory.

1. **Driver Air Bag 15V-318 (SIB 65 11 15):**
 - a. Parts are in Fair Share Allocation (FSA). Please remember to check the weekly allotment to help schedule your appointments. The quantities might change from week to week.
2. **Driver Air Bag 16V-071:**
 - a. **Please check the Vehicle Comments and if they indicate "Remedy is available" then order as needed via IDS ticket.**
 - b. Our parts distribution strategy follows the NHSTA requirements to prioritize parts for vehicles in the High Absolute Humidity (HAH) states and for oldest model years first. Additional letters will be mailed this week to customers, matching the parts availability.
 - c. The new part numbers listed on EPC for accident cars and regular service repairs are active for ordering. These parts are open for normal ordering, please do not send an IDS ticket for an accident car.
 - d. The Interim parts on your shelf listed in the current SIB's were the older parts from EPC.
