

FL684/Driver Side & FL714/Passenger Side Takata Airbag Recalls
Text of Ringless Voice Mail Message to Customers with Open Recalls

This is Daimler Trucks North America contacting you with an urgent message about your safety. Your Sterling Bullet has defective Takata Airbags and our records show that one or both have not been replaced. Please contact the Daimler Trucks dealer of your choice to schedule the recall as soon as possible or call (XXX) XXX-XXXX for help finding a dealer. Thank you for your attention to this important safety recall.
