Dear Mr. Downey:

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRANS TECH BUS/ROADSTER/2015
TRANS TECH BUS/ST AERO/2015
TRANS TECH BUS/STUDENT SAFETY TRANSPORT/2015

Mfr's Report Date: January 7, 2016

NHTSA Campaign Number: 16V-005

Components:

OTHER:SCHOOL BUS STOP ARM ASSEMBLY

Potential Number of Units Affected: 257

Problem Description:

Transportation Collaborative, Inc. (Transportation Collaborative) is recalling certain model year 2015 Trans Tech Bus Student Safety Transporter, Student Transporter Aero, and Roadstar school buses manufactured May 1, 2015, to November 15, 2015, equipped with certain Transpec T6000, T6100, and T7000 series school bus stop arms. The affected stop arms have a reflective decal that may peel loose from the stop arm. As such, these stop arms fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 131, "School Bus Pedestrian Safety Devices."

Consequence:

Without a reflective decal, the stop arms would have reduced visibility to other drivers, increasing the risk of a crash.

Remedy:

Transportation Collaborative will notify owners, and dealers will replace the stop arm blade assembly, free of charge. The recall is expected to begin in January 2016. Owners may contact Transportation Collaborative customer service at 1-845-988-0419 or the manufacturer of the stop arms at 1-800-951-7867. Transportation Collaborative's number for this recall is 15E-090.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Transportation Collaborative's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
