**Subject:** Stop Arm Reflective Decal May be Loose/FMVSS 131

Dear Mr. Van Laar:

This letter serves to acknowledge Navistar, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

IC BUS/CE/2016-2017  
IC BUS/RE/2016

**Mfr's Report Date:** January 21, 2016

**NHTSA Campaign Number:** 16V-030

**Components:**

OTHER:SCHOOL BUS STOP ARM ASSEMBLY

**Potential Number of Units Affected:** 529

**Problem Description:**

Navistar, Inc. (Navistar) is recalling certain model year 2016-2017 IC CE school buses manufactured May 4, 2015, to December 15, 2015, and 2016 IC RE school buses manufactured July 17, 2015, to December 15, 2015, and equipped with certain Transpec T6000, T6100, and T7000 series school bus stop arms. The affected stop arms have a reflective decal that may peel loose from the stop arm. As such, these stop arms fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 131, "School Bus Pedestrian Safety Devices."

**Consequence:**

Without a reflective decal, the stop arms would have reduced visibility to other drivers, increasing the risk of a crash.

**Remedy:**

Navistar will notify owners, and dealers will replace the stop arm blade assembly, free of charge. The recall is expected to begin March 22, 2016. Owners may contact Navistar customer service at 1-331-332-1590, or Specialty customer service at 1-800-951-7867. Navistar's number for this recall is 16501.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
