**Subject:** Rear Seat Belt Buckle may not Latch

Dear Mr. Fronckowiak:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FORD/TRANSIT/2015-2016

**Mfr's Report Date:** February 23, 2016

**NHTSA Campaign Number:** 16V-111

**Components:**

SEAT BELTS: REAR:BUCKLE ASSEMBLY

**Potential Number of Units Affected:** 48,990

**Problem Description:**

Ford Motor Company (Ford) is recalling certain model year 2015-2016 Transit vehicles manufactured February 13, 2014, to January 13, 2016 and equipped with rear passenger seats. The rear seat belt buckles may be damaged if a heavy object is placed on, or impacts, the top of the buckle. The damage may prevent the buckle from latching or from remaining latched.

**Consequence:**

An unlatched seat belt increases the risk of injury to the occupant in the event of a crash.

**Remedy:**

Ford will notify owners, and dealers will modify or replace the seat belt buckles, depending on their location in the vehicle, free of charge. Remedy parts are currently unavailable. Owners will be notified of the recall March 14, 2016. Owners will receive a second notice when remedy parts become available. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 16S06.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Ford's proposed interim owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at [sarah.mcshane@dot.gov](mailto:sarah.mcshane@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,
