Subject: Incorrect Tire Information on Label/FMVSS 110

Dear Mr. Fisher:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
CHEROKEE/GREY WOLF/2016

Mfr's Report Date: March 22, 2016

NHTSA Campaign Number: 16V-164

Components:
EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 224

Problem Description:

Forest River, Inc. (Forest River) is recalling certain model year 2016 Cherokee Grey Wolf recreational trailers manufactured from March 23, 2015, through March 9, 2016. The Federal Placard incorrectly indicates the tire and rim size as ST205/75R15/C Tire(s) with 15X5.0JJ rims. However, the trailer is equipped with ST205/75R14/C Tire(s) with 14X5.5JJ rims. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

Incorrect information on the Federal Placard may lead to the operator overloading the vehicle, increasing the risk of a tire blowout and the possibility of a crash.

Remedy:

Forest River will notify owners and will send them a corrected Federal Placard, free of charge. The recall is expected to begin on, or about, May 16, 2016. Owners may contact Forest River customer service at 1-541-995-3447 extension 4013. Forest River's recall number for this campaign is 64-03112016-0147.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
