Subject: Flashlight Battery Pack May Overheat

Dear Mr. Chomic:

This letter serves to acknowledge Pierce Manufacturing's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PIERCE/ARROW XT/2010-2016
PIERCE/QUANTUM/2010-2016
PIERCE/VELOCITY/2010-2016

Mfr's Report Date: March 31, 2016

NHTSA Campaign Number: 16V-186

Components:
EQUIPMENT

Potential Number of Units Affected: 36

Problem Description:

Pierce Manufacturing (Pierce) is recalling certain model year 2010-2016 Arrow-XT, Quantum, and Velocity vehicles manufactured from October 30, 2010, through January 24, 2016. The affected vehicles are equipped with Pelican 9410L flashlights, part number 9410-021-245 or 9410-021-110, with lithium ion battery packs which may overheat.

Consequence:

If the flashlight battery pack overheats, it can increase the risk of a fire.

Remedy:

Pierce will notify owners and instruct them to inspect the flashlight and battery pack, and if necessary, to request a replacement battery pack from Pelican Products, free of charge. The recall is expected to begin on, or about, April 15, 2016. Owners may contact Pierce customer service at 1-414-832-3000. Pierce's recall number for this campaign is 74B271.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Pierce's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
