Mr. Rod Walker  
Terex Advance  
7727 Freedom Way  
Fort Wayne, IN 46818

NEF-150MR  
16V-371

**Subject:** Driveshaft may Disconnect

Dear Mr. Walker:

This letter serves to acknowledge Terex Advance's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

TEREX ADVANCE/MIXER FD3000/2015-2016  
TEREX ADVANCE/MIXER FD4000/2015-2016  
TEREX ADVANCE/MIXER FD6000B/2015-2016

**Mfr's Report Date:** May 19, 2016

**NHTSA Campaign Number:** 16V-371

**Components:**

POWER TRAIN:AXLE ASSEMBLY

**Potential Number of Units Affected:** 117

**Problem Description:**

Terex Advance (Terex) is recalling certain model year 2015-2016 Mixer FD3000, FD4000, and FD6000B vehicles manufactured August 1, 2014, to September 30, 2015, and equipped with drive axles manufactured by Marmon-Herrington. The affected axles may have hex nuts on the flange yoke that may not have been properly tightened.

**Consequence:**

If the hex nuts are not tightened to specification, the driveshaft may disconnect from the drive axle, resulting in a loss of propulsion and increasing the risk of a crash.

**Remedy:**

Terex will notify owners. A remedy plan has not yet been provided. The manufacturer has not yet provided a notification schedule. Owners may contact Terex customer service at 1-800-433-6691.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please update your Defect Information report to provide Terex's remedy plan once it has been determined.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian  
Chief, Recall Management Division  
Office of Defects Investigations
