Subject: Continued Propane Flow From Extinguished Range

Dear Mr. Mihalick:

This letter serves to acknowledge DS Corp DBA Crossroads RV's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CROSSROADS/HILL COUNTRY/2016-2017
CROSSROADS/SUNSET TRAIL/2016-2017

Mfr's Report Date: June 2, 2016

NHTSA Campaign Number: 16V-409

Components:

EQUIPMENT:RECREATIONAL VEHICLE

Potential Number of Units Affected: 114

Problem Description:

DS Corp DBA Crossroads RV (Crossroads) is recalling certain model year 2016-2017 Hill Country and Sunset Trail recreational trailers manufactured May 13, 2015, to April 18, 2016 and equipped with an outside kitchen compartment. In the affected trailers, the inside range burners may be extinguished unintentionally when the outside kitchen compartment door is opened.

Consequence:

With the burners extinguished, the propane may continue to flow, creating a build up of propane gas, which in the presence of an ignition source, can increase the risk of a fire and/or explosion.

Remedy:

Crossroads has notified owners, and dealers will install a piece of trim to cover the air gap behind the inside range to the outside kitchen, free of charge. The recall began on June 9, 2016. Owners may contact Crossroads customer service at 1-855-226-7496. Crossroad's number for this recall is 16-254.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
