16V-451

Subject: Stop Lamp Activation/FMVSS 108

Dear Mr. Vismara:

This letter serves to acknowledge Gillig LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GILLIG/LOW FLOOR/2012-2016

Mfr's Report Date: June 17, 2016

NHTSA Campaign Number: 16V-451

Components:

EXTERIOR LIGHTING: BRAKE LIGHTS

Potential Number of Units Affected: 112

Problem Description:

Gillig LLC (Gillig) is recalling certain model year 2012-2016 Lowfloor diesel-electric hybrid vehicles manufactured March 6, 2012, to June 7, 2016. The affected vehicles are equipped with stop lamp activation that may inadvertently flash the rear brake lights. As such, these vehicles do not comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Assoc. Equipment."

Consequence:

Flashing brake lights may cause confusion to other drivers, increasing the risk of a crash.

Remedy:

Gillig will notify owners, and dealers will install a new software update, free of charge. The recall is expected to begin July 2016. Owners may contact Gillig customer service at 1-800-735-1500.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Gillig's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian".
