Subject: Defective Engine Control Module may Cause Stall

Dear Mr. Van Laar:

This letter serves to acknowledge Navistar, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

INTERNATIONAL/9900/2017
INTERNATIONAL/HX/2017
INTERNATIONAL/LONESTAR/2017
INTERNATIONAL/PAYSTAR/2017
INTERNATIONAL/PROSTAR/2017

Mfr's Report Date: June 20, 2016

NHTSA Campaign Number: 16V-453

Components:

ELECTRICAL SYSTEM
ENGINE AND ENGINE COOLING:ENGINE:DIESEL

Potential Number of Units Affected: 1,191

Problem Description:

Navistar, Inc. (Navistar) is recalling certain model year 2017 International ProStar, LoneStar, PayStar, HX, and 9900 trucks equipped with a Cummins ISX15L engine using certain engine control modules (ECM). These ECM's may experience an internal electrical short that can cause a fuse to blow, resulting in an unexpected engine stall without the ability to restart the engine.

Consequence:

An engine stall can increase the risk of a crash.

Remedy:

Cummins will notify owners, and Cummins dealers will replace the ECM, free of charge. The recall is expected to begin August 19, 2016. Owners may contact Cummins customer service at 1-800-343-7357 or Navistar customer service at 1-331-332-1590.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

We understand that Cummins will perform the owner notification, recall remedy execution and supply the required quarterly recall completion rate reports for this campaign.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a long horizontal stroke at the end.
