Subject: Water Heater Propane Line may not be Sealed

Dear Mr. Mary:

This letter serves to acknowledge Winnebago Industries, Inc's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ITASCA/NAVION/2017
WINNEBAGO/VIEW/2017

Mfr's Report Date: July 5, 2016

NHTSA Campaign Number: 16V-511

Components:

EQUIPMENT:RECREATIONAL VEHICLE:LPG WATER HEATER

Potential Number of Units Affected: 262

Problem Description:

Winnebago Industries, Inc (Winnebago) is recalling certain model year 2017 Winnebago View, and Itasca Navion motor coaches manufactured November 16, 2015, to June 23, 2016. In the affected vehicles, the liquid propane (LP) line may not be properly sealed to prevent carbon monoxide and/or LP gas from entering the living quarters.

Consequence:

If carbon monoxide or LP gas enters the living quarters, it can increase the risk of illness or death to the occupants.

Remedy:

Winnebago will notify owners, and dealers will apply sealant to the grommet opening to seal the LP line, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Winnebago customer service at 1-800-537-1885. Winnebago's number for this recall is 141.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Winnebago's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

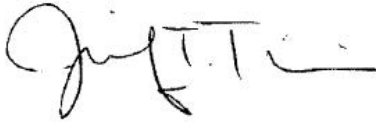

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
