Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Makes/Models/Model Years:

Mfr's Report Date: July 14, 2016

NHTSA Campaign Number: 16V-538

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 194

Problem Description:

Starcraft RV (Starcraft) is recalling certain model year 2016-2017 AR-ONE Maxx travel trailers and fifth wheels manufactured May 4, 2015, to June 27, 2016. The affected vehicles may be equipped with a Federal Label with incorrect tire information, and as a result, the owner could replace the tire with an incorrect size. As such, these vehicles fail to comply with the Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

If the tire is replaced with an incorrect tire size, vehicle handling could be affected, increasing the risk of a crash.

Remedy:

Starcraft will notify owners, and dealers will install a corrected Federal and Tire label, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Starcraft customer service at 1-800-945-4787. Starcraft's number for this recall is 9902307.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Starcraft's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
