Subject: Propane Fuel Leak from Damaged Fuel Lines

Dear Ms. Hancock:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BLUE BIRD/VISION/2016-2017

Mfr's Report Date: July 18, 2016

NHTSA Campaign Number: 16V-543

Components:

FUEL SYSTEM, OTHER:DELIVERY:HOSES, LINES/PIPING, AND FITTINGS

Potential Number of Units Affected: 49

Problem Description:

Blue Bird Body Company (Blue Bird) is recalling certain model year 2016-2017 Vision transit buses manufactured September 24, 2015, to May 21, 2016, equipped with 6.8L Ford engines and Gen 3 propane units. The affected vehicles have propane fuel lines that may rub or are crossed and secured together, possibly resulting in line damage and a propane fuel leak.

Consequence:

A propane leak in the presence of an ignition source may increase the risk of a fire.

Remedy:

Blue Bird will notify owners, and dealers will inspect and reroute any Gen 3 propane lines that are not parallel. If damaged, the fuel line(s) will be replaced. These repairs will be performed free of charge. The recall is expected to begin August 15, 2016. Owners may contact Blue Bird customer service at 1-478-822-2242. Blue Bird's number for this recall is R16YT-NSB.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Blue Bird's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
