Mr. Robert Badger
Jumping Jack, Inc.
1065 W. North Temple
Salt Lake City, UT 84116

NEF-150KS
16V-613

Subject: Tire, Wheel, Hub, and Torsion Arm may Detach

Dear Mr. Badger:

This letter serves to acknowledge Jumping Jack, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JUMPING JACK/UTILITY TRAILER/2014-2015

Mfr's Report Date: August 18, 2016

NHTSA Campaign Number: 16V-613

Components:

SUSPENSION:REAR:AXLE:NON-POWERED AXLE ASSEMBLY

Potential Number of Units Affected: 300

Problem Description:

Jumping Jack, Inc. (Jumping Jack) is recalling certain model year 2014-2015 utility trailers, in sizes Standard 6'x8' and Mid 6'x12', manufactured August 15, 2014, to August 31, 2015. The torsion arm of the axle assembly was made too small for its housing, and as a result, the torsion arm, spindle, and tire and wheel assemblies may detach from the trailer.

Consequence:

A separation of the torsion arm can result in a reduction in vehicle stability, increasing the risk of a crash.

Remedy:

The remedy for this recall is still under development. The manufacturer has not yet provided a notification schedule. Owners may contact Jumping Jack customer service at 1-801-520-5310.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please provide Jumping Jacks remedy plan for this recall once it has been determined.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As required in Part 573.6(c)(6), in the case of a defect, please provide a chronology of all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information, with their dates of receipt. Please provide this information as soon as possible.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
