Subject: Incorrect Information on Certification/Part 567

Dear Ms. Tonglao:

This letter serves to acknowledge PACCAR Incorporated's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PETERBILT/367/2013

Mfr's Report Date: August 30, 2016

NHTSA Campaign Number: 16V-632

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 15

Problem Description:

PACCAR Incorporated (PACCAR) is recalling certain model year 2013 Peterbilt 367 trucks, manufactured April 18, 2012, to June 29, 2012. The affected vehicles may be equipped with a certification label that has incorrect gross axle weight rating (GAWR) and gross vehicle weight rating (GVWR) information. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

Incorrect GAWR and GVWR information can result in the vehicle being overloaded, increasing the risk of a crash.

Remedy:

Peterbilt will notify owners, and dealers will replace the certification labels, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Peterbilt customer service at 1-940-591-4000. PACCAR's number for this recall is 816-D.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
