Dear Ms. Jones:

This letter serves to acknowledge Tiffin Motorhomes, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**  
TIFFIN/ALLEGRO BUS/2017

**Mfr's Report Date:** September 1, 2016

**NHTSA Campaign Number:** 16V-638

**Components:**  
VISIBILITY:REARVIEW MIRRORS/DEVICES:EXTERIOR

**Potential Number of Units Affected:** 36

**Problem Description:**

Tiffin Motorhomes, Inc. (Tiffin) is recalling certain model year 2017 Allegro Bus motorhomes manufactured April 12, 2016, to June 21, 2016. Due to insufficient holding power of the mirror arm swivel mechanism, the passenger side mirror could move while the vehicle is in motion.

**Consequence:**

If the mirror does not stay in position, it can reduce the driver's visibility, increasing the risk of a crash.

**Remedy:**

Tiffin will notify owners, and dealers will install a retrofit kit to secure the passenger mirror swivel arm mechanism, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Tiffin customer service at 1-256-356-8661. Tiffin's number for this recall is TIF-103.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
