Subject: Incorrect Information on Federal Placard/FMVSS 110

Dear Ms. Tobias:

This letter serves to acknowledge Jayco, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

JAYCO/JAY SPORT/2017

Mfr's Report Date: October 26, 2016

NHTSA Campaign Number: 16V-785

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 56

Problem Description:

Jayco, Inc. (Jayco) is recalling certain model year 2017 Jay Sport camping trailers, model 12SC, manufactured September 14, 2016, to October 3, 2016. The labels on the affected vehicles incorrectly state that the vehicle is equipped with ST175/80R13D tires requiring 65 PSI, when the vehicle is actually equipped with ST175/80R13C tires requiring 50 PSI. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

Incorrect tire pressure information may result in the tires being over inflated, which can cause possible tire failure, increasing the risk of a crash.

Remedy:

Jayco has notified owners and provided them with a corrected label, free of charge. The recall began on November 1, 2016. Owners may contact Jayco customer service at 1-800-283-8267. Jayco's number for this recall is 9901331.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
