Subject: Aluminum Ladder Hinge may Separate

Dear Mr. Carolus:

This letter serves to acknowledge Keystone RV Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

DUTCHMEN/VOLTAGE/2015-2016
KEYSTONE/CARBON/2015-2016
KEYSTONE/FUZION/2015-2016
KEYSTONE/IMPACT/2015-2016
KEYSTONE/RAPTOR/2015-2016

Mfr's Report Date: November 9, 2016

NHTSA Campaign Number: 16V-825

Components:
EQUIPMENT

Potential Number of Units Affected: 6,252

Problem Description:

Keystone RV Company (Keystone) is recalling certain model year 2015-2016 Keystone Carbon, Fuzion, Impact, Raptor, and Dutchmen Voltage toy hauler fifth wheels equipped with aluminum black ladders manufactured by Christianson Industries. The affected ladders have retractable hinges, each with a welded 'top hat' that can separate from the hinge.

Consequence:

If the hinges separate from the ladder while in use, the ladder may fall from the vehicle, increasing the risk of injury.

Remedy:

Keystone will notify owners, and dealers will install a hinge brace over the back of the existing hinges, free of charge. The recall is expected to begin in November 2016. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 16-267.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Keystone's proposed owner notification letter and have approved its distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
