Subject: Tire Sidewalls may Crack

Dear Mr. Doku:

This letter serves to acknowledge Maserati North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

MASERATI/GHIBLI/2016-2017
MASERATI/QUATTROPORTE/2017

Mfr's Report Date: November 16, 2016

NHTSA Campaign Number: 16V-840

Components:

TIRES:SIDEWALL

Potential Number of Units Affected: 1,703

Problem Description:

Maserati North America, Inc. (Maserati) is recalling certain model year 2017 Ghibli and Quattroporte vehicles and one model year 2016 Ghibli vehicle manufactured February 29, 2016, to October 29, 2016. These vehicles are equipped with certain Pirelli P Zero All Season tires, size 275/40R19 101W, that may develop cracks in their lower sidewall, possibly resulting in a loss of air.

Consequence:

A loss of air may result in tire failure or a loss of vehicle control, increasing the risk of a crash.

Remedy:

Maserati will notify owners, and dealers will replace the affected tires, free of charge. The recall is expected to begin January 1, 2017. Owners may contact Maserati customer service at 1-201-510-2369. Maserati's number for this recall is 324.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Maserati's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
